Marking Rubric/Allocation of Marks

This section details the breakdown of marks for each step in the solution This allows you to understand where you went wrong and identify specific areas requiring improvement For example a question might award marks for correct identification of accounts accurate calculations and proper presentation of the financial statement

Common Errors

Many memos will highlight common mistakes students made Learning from these errors prevents you from repeating them in future assessments

Alternative Correct Solutions

In some cases there might be more than one valid approach to solve a problem The memo will acknowledge these alternative methods if applicable

Analyzing Your Performance with the Memo

After receiving your marked exam paper thoroughly compare your answers to the memo

- 1 Don't just focus on the final answer scrutinize the entire solution process This detailed analysis will provide valuable insights into your strengths and weaknesses
- 2 Heres a stepbystep approach

- 1 Identify Correct and Incorrect Answers Categorize each question based on whether you answered it correctly partially correctly or incorrectly
- 2 Analyze Incorrect Answers For incorrect answers pinpoint the exact point where your solution deviated from the correct one Was it a conceptual error a calculation mistake or a presentation issue
- 3 Identify Recurring Mistakes Look for patterns in your errors Are you consistently struggling with a specific accounting principle such as calculating

depreciation or preparing a bank reconciliation

4 Review the Marking Rubric Understand the mark allocation for each step This will help you determine how much you lost due to minor errors versus major conceptual misunderstandings

5 Note Down Common Errors Pay special attention to the section highlighting common mistakes This is a valuable learning opportunity to avoid repeating the same errors
