for this new anthology anthony bonner has chosen central texts from his acclaimed two volume compilation selected works of ramon llull princeton 1985 available for the first time in an affordable format these works serve as an introduction to the life and writings of the catalan properly majorcan philosopher mystic and theologian who lived from 1232 to 1316 founder of a school of arabic and other languages llull was also a poet and novelist and one of

the creators of literary catalan this volume contains three prefaces on llull s life thought and reputation of llull s works it offers book of the gentile and the three wise men his seminal christian apology the ars brevis a summary of his philosophical system the book of the lover and the beloved a celebration of mystical love in the courtly tradition and his wittily scathing book of the beasts

the first comprehensive publication on the subject this book investigates interactions between racial thinking and the stage in the modern and contemporary world with 25 essays on case studies that will shed light on areas previously neglected by criticism while providing fresh perspectives on already investigated contexts examining performances from europe the americas the middle east africa china australia new zealand and the south pacific islands this collection ultimately frames the history of racial narratives on stage in a global context resetting understandings of race in public discourse

although brazil and the united states have long regarded each other sympathetically relations between the two countries have been adversely affected by geographical distance language barriers and cultural indifference in this comprehensive overview joseph smith examines the history of brazil u s relations from the early nineteenth century to the present day with the exception of commerce notably the coffee trade there was relatively little contact between the countries during the nineteenth century a convergence of national interests took place during the first decade of the twentieth century and was exemplified in brazil s strategy of approximating its foreign policy to that pursued by the united states in return brazil expected economic gains and diplomatic support for its ambition to be the leading power in south america but u s leaders were cautious and self serving brazil was treated as a special ally according to smith but only at times of major crisis such as the two world wars as the twentieth century progressed friction developed over programs of u s financial assistance and efforts to deal with the threat of communism recently there have been disagreements over brazil s determination to take its rightful place as a global economic player and regional leader nonetheless history reveals that these two giant nations of the western hemisphere share national interests that they realize are best served by maintaining a friendly cooperative relationship

esplin argues that borges through a sustained and complex literary relationship with poe s works served as the primary catalyst that changed poe s image throughout spanish america from a poet prophet to a timeless fiction writer

a new testament bibliography for 1914 to 1917 inclusive by frederick c grant v 1 p 58 91
